25X1NRO

Meeting with [] NRO Comptroller

25X1NRO

[] understood from Charyk and [] it was their understanding that there would be quarterly funding when signing the April agreement.

25X1

DNRO concerned that programs A, C & D will also want quarterly funding.

25X1NRO

[] believed NRO would be subj to criticism by Treasury Dept if NRP funded quarterly.

However, quarterly reporting and review would insure tighter control over contractors and might end in savings.

25X1

[] explained why Prog B needed full year funding.
